Energy Reflecting Blackout Fabric

Available Colours:

Silver Blackout

Product code: KBT12429-U148
Selected Colour: **Silver Blackout**
Width: 280cm
Price: £24.99/mtr

Description:

Energy Reflecting Blackout Fabric

Very effective energy efficient fabric ideal for Heat Reflecting and Heat Retention, minimises heat loss keeping energy cost down

Energy reflecting blackout fabric is made using thin thread or low density of knit, the fabric also has a blackout coating applied to the reverse side making this fabric a total blackout for blocking out light

Ideal use for daytime privacy whilst still keeping heat in or blocking heat out from a room.

Perfect for; Domestic use, residential, Industrial, commercial, leisure, hotel and hospitality applications,

Works well for conference rooms, cinema rooms, bedrooms, office, conservatories, south facing rooms that have increased sun exposure

The extra wide width of 280cm is an excellent feature means less joins for wider applications
