Description:

Waterproof Polyester Tartan fabric is a durable, water-resistant material made from 100% polyester, designed to block out rain and protect your belongings from the elements. Featuring a stylish tartan pattern, this fabric is not only functional but also fashionable, making it a great choice for outdoor apparel and accessories. It's ideal for raincoats, jackets, umbrellas, tents, and more. The fabric is also resistant to water and is easy to maintain, as it is washable at 30°C, ensuring it stays in great condition after every use.

Stylish Waterproof Polyester Tartan Fabric for Outdoor Gear and Rainwear

This versatile material is perfect for a wide range of applications, from outdoor clothing and sports gear to pet clothing and bedding, ensuring protection and comfort in all weather conditions.

Key Features:
