### Description:

Plain fleece fabric 300g/m2 100% Polyester anti-pilled fleece, a soft luxurious lightweight brushed fabric warm and comfortable used to make a wide range of items including, apparel, clothing, athletic wear, throws, blankets, hoodies, hats, scarves, sweat shirts, jackets, outdoor clothing, baby blankets, sofa throws, pet clothing, pet bedding and toys.

A preferred choice of fleece fabric for sewing as it is easy to sew, easy to work with, easy to maintain and washes well, machine washable at 30c, it also dries quite quickly due to its construction technique and water repellences, good news for people who have wool allergies, fleece fabric is great alternative to wool.
