Description:

From our new range of clearance upholstery fabric, a contemporary fine stripe velvet feel fabric of the highest quality. The velvet stripes are raised and corrugated rather like corduroy. Great for interior designers to use in restaurants, hotels, cafes and coffee shops. or in the home. The stripes measure at various widths no more than 1cm in width. The soft shades of peach, mint green, sage green, cream, and grey blue all blend nicely together. Use this to cover a sofa suite or make a statement armchair. You could also use this pastel stripe fabric for soft furnishings. Curtains, cushions and covers would make great additions to plain coloured furniture.
