Description:

Durable upholstery fabric in classic cream with woven detail of smart geometric flowers. The eight point flower heads are designed in a stylised way and set in uniform rows, evenly spaced. The fabric uses both matte and high shine tread to create the pattern, adding visual depth to the design. The flowers measure 2 inches in width and height and are separated by a cm all around the shape. The eight point shape has four large petals and four much smaller, Inside the flower shape sits another similar shaped flower in the center.
