Description:

Very high quality navy blue upholstery fabric for curtains, drapes, cushions, sofas, armchairs and foot stalls. The smart french navy background has a beautifully soft finish, contrasting against the smother woven floral design. The fine polyester thread has been brushed so it still looks neat, yet is very soft to the touch.

The quality of this fabric is excellent and would look good whether in a stately home, your home, hotels or a gastro pub. Because of the rich jewel like tones of the flowers and ornate leaves, you could use this fabric in an interior design with other deep shades such as bottle green, burgundy, gold, plum or russet.
