Description:

3 metre wide Stage Molton fabric in Black Flameproofed (NDFR)
Fine brushed cotton fabric on both sides to give the material a soft velvet-like nap effect, the recommended choice of fabric for the Motion Picture Industry.

- Fabric width: 300cm (118 inches)
- Fabric weight: 300gsm

Excellent fabric with high opacity makes it the right fabric blocking light out for stage back drops, curtains, good option as a blackout fabric to create a fabric black box, mask stage areas, scenery, control light spill,

Ideal for

- Covering Stage Borders
- Legs in theatres
- Commercial
- Retail
- Media
- Photography
- Film Sets
- Youtube Backgrounds
- Tik Tok Backdrops
- Videos
- Film studios
- Crease resistant

The acoustic qualities of this molton fabric is great to eliminate sound reverberation, very popular budget fabric for sound control drapes and short term temporary hire drapes

Common terms for this fabric:

Duvelyn, Duvelyn cloth, Molton, Rokel, Commando Cloth
