Terracotta Aztec Upholstery Fabric

Aztec style upholstery fabric

Aztec style upholstery fabric woven with an array of soft contrasting and complementing shades of red.

This very high quality fabric is created specifically for upholstery and soft furnishings work. The durable polyester blend fabric is designed to withstand years of constant use, so the fabric can be used for seating in restaurant booths, coffee shops and hotels. The design is perfect for interior designers going for an Aztec or Mexican, north American style. Use a little or a lot depending if you want a touch of Aztec style or a massive statement room!
