Price: £4.99/mtr

Description:

Medium check gingham, the most versatile of the tree gingham we stock. The medium quarter inch check has more impact than the very small 1/8 inch and the pattern can be noticeable from further away. Men's, women's, children or adults clothing, medium gingham is the best all rounder if you want a fresh gingham look. The fabric is made from a blend of 65% polyester and 35% cotton to create the iconic three tone check which is woven into the fabric, not printed like some lesser varieties.

We have ten colours to choose from :

- Yellow
- Turquoise
- Royal Blue
- Sky Blue
- Brown
- Bottle Green
- Lilac
- Navy
- Pink
- Red

Get the gingham retro look and create full circle skirts, cute three quarter cut off pedal pushers, slinky wiggle dresses and tie up blouses. The fabric has a taut structure yet drapes smoothly. These two assets mean you can cut and make neatly tailored garments and create crisp pleats whilst being able to create rippled gatherings and fully flared skirts.

The traditional style of gingham fabric holds an undeniable charm. Whether its a classic countryside look your going for or a retro kitsch interior design, gingham looks great around the home. The breathable quality of the poly-cotton works well for bedding, and the smooth draping quality is perfect for curtains. Be sure to check out our small and large gingham collections too.
