Description:

This Striped cotton sheeting fabric has been bleached and mercerized. Mercerization allows much more colour to go on the cloth, while un-mercerized fabric often dyes up much paler. Our Cotton Sheeting Fabric is ideal for lining your curtains as they reduce light absorption and improve insulation. Also great for adding a touch of luxury to your bedroom.

Sheeting Fabric is an ideal base for all of your textile projects including tablecloths, cushions, beanbags and more.
