- Flammability: (Pass) BS5851
- Anti-Mildew :(Pass)
- Flame Retardant
- UV stable
- Antibacterial
- Alcohol resistant
- Waterproof
- Resistant to abrasion
- Phthalate free

Cleaning:

For best results, clean on a regular weekly basis by wiping the surface with a moist or soapy, white, soft cotton cloth, rinse and wipe dry with a clean, white cotton cloth, rinse and wipe dry with a clean, white cotton cloth, particularly important in summer to ensure the removal perspiration from the furniture.

Also please be aware that many hair products contain chemicals that if followed to build up without cleaning, could also cause damage.

Stain Removal:

Blot excess liquid up as quickly as possible with a clean %100 white, cotton, absorbent cloth or sponge.

If necessary, use clean Lukewarm water. Clean the entire area where the spot occurred (seat cushion, arm, etc)

Water may dissolve dirt particles and make cleaning easier, however, water used in excess may cause water marks to form.

Coffee, tea, etc spills:

Use an absorbent, especially white cotton cloth or piece of absorbent kitchen type paper towel. Do not rub, Allow the stain to be absorbed until all the liquid is removed from the materials surface.
