## Zig Zag Lace

### Available Colours:

Multi

Product code: KBT12869-U200  
**Selected Colour:** **Multi**  
Width: 145cm  
Price: £3.99/mtr

### Description:

- An unusual stretch lace with a black and white design. The black mesh background holds the horizontal pattern of lines which look a lot like those seen on a heart beat monitor. This funky style lace would look good for clothing from casualwear to festival and evening wear. TShirts, fitted dresses, baggy tops or leggings or skirts, team this black and white lace with big bold colours to really make an impact.
