Zig Zag Lace

Available Colours:

Multi

Product code: KBT12869-U200
Selected Colour: **Multi**
Width: 145cm
Price: £3.99/mtr

Description:

- An unusual stretch lace with a black and white design. The black mesh background holds the horizontal pattern of lines which look a lot like those seen on a heart beat monitor. This funky style lace would look good for clothing from casualwear to festival and evening wear. TShirts, fitted dresses, baggy tops or leggings or skirts, team this black and white lace with big bold colours to really make an impact.
 - Black and White Lace
 - Stretchy
