Width: 150cm
Price: £14.99/mtr

Description:

50%Wool 10%Silk 25%Acrylic 15%Poly

Weight 560gr/linear meter

Width 150cm

Tweed is a woollen fabric. It has a soft, flexible texture. Generally woven with a plain weave, twill or herringbone structure. Here we have plain weave

Suitable for jackets, pants, hats, trench coats, blazers, other outerwear, winter clothing, suit jackets, military uniforms.

High heat retention

Wash on cold temperatures as fabric can pile//bubble
