Product code: KBT13371-U208
Selected Colour: Honey Comb Black
Width: 140cm
Price: £11.99/mtr

Description:

Black Honey-comb textured finish, This fabric is (OEM Quality) perfect for vehicle pillars A, B, C, and D it is meticulously crafted from a premium blend of high-quality polyester and synthetic fibres, purposefully tailored for automotive applications.

Boasting a width of 140cm, the fabric showcases exceptional versatility, fitting various pillar sizes across diverse car models. This adaptability ensures a seamless integration, enhancing the overall cohesiveness of the vehicle's interior design.

Suitable

- Car
- Vans
- Trucks
- Motor Homes
- Automobile applications.

The fabric's innovative composition demonstrates remarkable resistance to wear and tear, guaranteeing both the sustained aesthetic appeal and structural integrity over time. Engineered with automotive-grade precision, it is designed to endure the daily rigors of use, maintaining its quality even in challenging conditions.

A standout feature of this pillar fabric is its exceptional UV stability, providing a shield against the

detrimental effects of prolonged sun exposure. This protective quality not only preserves the fabric's integrity but also prevents fading, ensuring the vibrant colours endure throughout the vehicle's lifespan. This contributes to a visually appealing interior that remains captivating over time.

In addition to its protective qualities, the fabric facilitates easy maintenance, making it inherently easy to clean. Quick removal of dirt, stains, and other contaminants is a practical feature that is essential for preserving the overall appearance of the vehicle. This ease of care empowers owners to effortlessly maintain a polished and well-maintained look with minimal effort.

The pillar fabric's design exemplifies a meticulous balance between aesthetics and functionality. Beyond its visual appeal, the material is engineered with precision to ensure durability and longevity. This dual focus on aesthetics and functionality makes the Car A, B, C, and D Pillar fabric a reliable and stylish choice, embodying a harmonious blend of enduring design and practical utility.
