Description:

- Limited Stocks to Clear. Soft linen furnishing fabric. Fabric Width:130cm Design: rosoto, It is a soft, plush yarn that is created by wrapping short lengths of yarn around a core yarn. This creates a fuzzy, textured surface that is both soft and durable. A popular choice for home and furniture textiles due to its durability, versatility, and aesthetic appeal.

Its weave creates a unique fabric that is both functional and beautiful. A good selection of colours and patterns available, This fabric is a great choice for any furniture upholstery project. The use of different coloured threads also allows for a wide range of colour options, from bold and bright to more muted and neutral.

Uses:

This can be used to upholster chairs, sofas, ottomans, and other types of furniture. It can also be used to create drapes, curtains, and other window treatments.
