TPU Film

Available Colours:

Night Black

Show White

Product code: KBT13520-U138
Selected Colour: **Night Black**
Width: 160cm
Price: £11.99/mtr

Description:

TPU films are highly versatile and suitable for a wide range of textile applications due to their exceptional properties.

Film width: 160cm

These TPU films are ideal for manufacturers who require breathable, skin-friendly, waterproof, or tear-resistant materials.

TPU fabrics are suitable for ultimate in sleek wet look clothing.

This sophisticated, eye-catching TPU material is perfect for crafting stunning dresses and leggings. Experience the luxurious softness of this TPU fabric that will hug your curves and make a bold statement. Whether you're opting for sultry mini dresses or standout jackets, can be created for every fashion-forward individual

Other applications include:

- **SMART TEXTILES**

Incorporating printed electronics and sensors onto films for performance measurement applications.

- **SPORTSWEAR & APPAREL**

Seam sealing and creating breathable, waterproof barrier films for clothing, footwear, and various textile solutions.

- **OUTDOOR**

Seam sealing in outdoor apparel, footwear, and equipment such as tents, sleeping bags, and mattresses, as well as applications in waterproof clothing.

- **FURNITURE**

Providing tear resistance for mattress covers in the furniture industry, and seam sealing for chairs, seating equipment, and gel cushions.

- **AUTOMOTIVE**

Adhesive film solutions for convertible roofs, blinds, seat covers, and other interior applications.

- **SHOES**

Creating breathable films for shoe insoles and upper materials.

Key Facts about OEKO-TEX® Certification

An independent, globally consistent certification system for textiles.

Ensures high product safety for consumers.

Implements stringent testing standards for harmful substances and chemicals.

Criteria and limit values are often more rigorous than national or international standards.

Certified films for product class I, suitable for articles intended for babies and toddlers up to 3 years of age.
