Description:

The chunky and funky variety of gingham. Great for retro rockabilly dresses and cute blouses, this over-sized classic check has made a real fashion comeback for vintage look and retro fans. A traditional woven Gingham, not printed like lesser variety. Traditional Gingham is constructed of combed medium yarns, the colouring is on the warp and also on the weft of the fabric weave. Because of the woven method of production, the result is a fabric which is the same both sides, fully reversible.

We have seven great colours to choose from....

- Bright Emerald Green
- Pale Sky Blue
- Classic Red
- Black
- Vibrant Yellow
- Navy Blue
- Bottle Green
