**Selected Colour:** **Royal (1)**

Width: 200cm

Price: £11.99/mtr

### Bulk Purchase:

Roll Length: 50 mtrs

Roll Price: 8.99/mtr

### Description:

Heavy Duty PVC fabric, weighing 610 gsm, with reinforced waterproof and fire-retardant properties. This high-tensile material is durable, very strong and can withstand rips, features 184gsm woven polyester threads, double-coated with polyvinyl chloride.

Matte finish on one side and a shiny finish on the other, it is easy to clean and has been tested to BS3424 standards, conforming to BS3408/20.

The fabric is impressively wide at 200cm, making it ideal for a variety of applications such as:

- Tarpaulins cover sheets
- Truck curtain sides
- Lorry covers
- Oil booms
- Marquees
- Boat covers
- Mess tents
- Stillage covers
- Bouncy castles
- Awnings
- Garden projects

- Tree house roofs
- Hot tub covers
- inflatables
- Soft play areas
- Table covers
- Skip covers
- Trailer covers

Many more uses, for creative ideas

We offer custom made to measure service for this heavy duty PVC, we including professional high-frequency welding, stitching, and brass eyelet insertion to meet your specific needs. Send us a hand sketch or drawing via fax or email for a quick quote.
