Roll Price: 5.49/mtr

Description:

65% Polyester 35% Cotton Drill Weave fabric weight is 7oz (approx. 190gsm)

A perfectly blended combination of polyester and cotton which is versatile, crease resistant and easy to maintain. Easy to wash, easy to iron.

Woven on a suzler loom and then reactive dyed to maintain its colour.

Uses are apparels,

- Men's overalls
- Aprons
- Scrubs
- Medical clothing
- Workwear
- Corporate uniforms,
- Shirts and pocketing

Durability and abrasion resistance give this fabric an added advantage for use in upholstery, curtains, drapery, dust sheets, wall hangings etc..

This fabric can also be treated with fire retardant spray.
