Description:

Awning fabric Nature collection, outstanding water resistance fabric, Ideal for fixed and permanent installations located outdoors (awnings, pergolas, etc.), guarantees long-term colour fastness and excellent protection against both UV rays and inclement.

This fabric must be fixed at an angle to increase its water repellence;
the fabric is not 100% waterproof and will let water through during heavy rain, or if fixed as a flat sheet

* Please Note, fabric is sold in continuous lengths. The Scalloped edge is for Illustration purposes only.*
