## **Description:**

Polysilk Habotai is a soft fabric with a silk look and silk like feel, great for garments, linings, stage and set decoration, 112cm wide fabric and light weight, please note this fabric is made of 100% polyester.

Habotai A Japanese word meaning soft as down, this fabric is fine very light weight and wonderfully soft, finished to a smooth glossy appearance with a fine even weave throughout the fabric making it airy and light and not seen through.
