Description:

Our **Quilted 4oz Waterproof Fabric Box Design** combines functionality, durability, and timeless style, making it an excellent choice for a wide range of applications. Crafted with a 100gsm wadding quilted onto 4oz waterproof polyester in a classic box design, this fabric offers comfort, water resistance, and a refined look.

Durable Water-Resistant Quilted Fabric with Classic Box Design

While the fabric is not lined, which exposes the stitching and wadding on the reverse side, its robust construction ensures long lasting use. It's important to note that the quilting process can slightly reduce the waterproofing of the top fabric.

Key Features:

- **Material:** 4oz waterproof polyester quilted with 100gsm wadding in a box design.
- **Width:** Usable fabric width of 140cm for versatile applications.
- **Colours:** Available in a range of fashionable shades to suit various designs.
- **Durability:** Designed to withstand wear and tear for long-lasting performance.

- **Customizable:** Bespoke fabric quilting service available (minimum roll length required).

Applications:

- **Pet Clothing & Bedding:** Durable and water-resistant for comfortable pet accessories.
- **Outdoor Clothing:** Ideal for waterproof jackets and outdoor gear.
- **Equestrian Gear:** Provides protection and style for horse-related products.
- **Quilted Jackets:** A popular choice for fashion-forward, functional apparel.
- **Waterproof Clothing:** Perfect for creating reliable rainwear.

The timeless box design ensures your projects maintain a classic, stylish appeal. Whether you're crafting pet bedding, designing outdoor apparel, or creating equestrian gear, this fabric is versatile enough to meet your needs.
