Product code: KBT7677-F127-B472
Selected Colour: Amethyst
Width: 150cm
Price: £12.99/mtr

Description:

Bling is designed to be used for upholstery and soft furnishings.

The fabric boasts a textured crushed surface which looks and feels great.

The crushed texture catches the light at different angles creating a mottled lustre all over the fabric. Bling velvet is also fire retardant to British safety standards, an essential factor when creating interiors for public spaces like restaurants and hotels.

Available in a range of rich colours, click on to our [Bling Velvet Blog](#) to find out more about this gorgeous fabric.
